

Product Name	BCL Spa Lavender Gel Lotion	EU/EN
MSDS Number	20JA12-003-D	Issuing Date January 22, 2013

---

**Safety Data Sheet In Accordance with 2001/58/EC**

---

## **1. Identification of the substance/preparation and the company/undertaking**

**Product Name**

**BCL Spa Lavender Gel Lotion**

**Manufacturer**

Bio Creative Labs  
2710 Temple Avenue  
Long Beach, CA 90806  
USA

**Product information**

See certificate of analysis

**Emergency telephone number**

(800) 424-9300

**End use:**

Personal Care

## **2. Composition / information on ingredients**

Chemical characterization      Water - based system blend with oils, emulsifiers, and fragrances / essential oils.

## **3. Hazards identification**

Statement of hazard      The product does not require a hazard warning label in accordance with EC Directives.

No known hazards to skin, mild eye irritation may occur  
Observe the usual precautions when handling chemicals.

## **4. First aid measures**

General Information      Soiled material can be washed and removed in non-hazardous fashion.

Inhalation      No inhalation hazard.

Skin      Rinse with soap and water.

Eyes      Rinse for 10-15 minutes. If symptoms persist Call a physician

Product Name	BCL Spa Lavender Gel Lotion	EU/EN
MSDS Number	20JA12-003-D	Issuing Date January 22, 2013

---

**Safety Data Sheet In Accordance with 2001/58/EC**

---

**Advice on safe handling**

No special measures required

**Protection - fire and explosion**

No special measures required

**Storage**

**Material Storage**

Protect from frost. To maintain product quality, do not store in heat or direct sunlight. Keep at temperatures between 5 and 35 °C(40 and 95°F)

**Technical measures/Storage conditions**

Keep tightly close in a dry and cool place. No special technical protective measures required.

**Incompatible products**

No special restrictions on storage with other products.

**German storage class**

12: Non-combustible liquids.

**8. Exposure controls / personal protection**

**National occupational exposure limits (Germany)**

No exposure limits established

**ACGIH Exposure Limits**

**Exposure controls**

**Engineering measures**                      No special measures required

**Personal protective equipment**

**General advice**                              Avoid contact with eyes

**Hygiene measures**                          Wash hands before breaks and at the end of workday. When using, do not eat, drink or smoke. Take off all contaminated clothing immediately. Wash contaminated clothing before re-use.

**Eye protection**                              Safety Glasses

Product Name	BCL Spa Lavender Gel Lotion	EU/EN
MSDS Number	20JA12-003-D	Issuing Date January 22, 2013

---

**Safety Data Sheet In Accordance with 2001/58/EC**

---

**Hand protection**

**Chemicals resistant gloves**

Suitable material                      Rubber gloves recommended , but not required.  
Type

**9. Physical and chemical properties**

**Appearance**

Form    Semi-Visous Gel Lotion  
Colour    Light Violet  
Odor     Lavender

Flash point                                      Not Applicable

Melting point/range                              Not Applicable

Boiling point/range                                Not Applicable

pH     6.00-7.00

Viscosity                                         17,000-19,000 CPS

vapor pressure                                    Not Applicable

Water solubility                                 70-80%

**10. Stability and reactivity**

Stability    Stable under recommended storage conditions

Conditions to avoid                                Do not freeze

Materials to avoid                                 None known

Thermal decomposition                         No known hazardous decomposition

Hazardous reactions                                No hazards to be especially mentioned.

**11. Toxicological information**

Toxicological data are not available. Observe the usual hygienic measures for handling chemicals.

**12. Ecological information**

Ecotoxicological data are not available. According to experience, the material has no harmful effect on the environment.

Product Name	BCL Spa Lavender Gel Lotion		EU/EN
MSDS Number	20JA12-003-D	Issuing Date	January 22, 2013

---

**Safety Data Sheet In Accordance with 2001/58/EC**

---

### **13. Disposal Considerations**

Product information	Disposal required in the compliance with all waste management related state and local regulations. The choice of the appropriate method of disposal depends on the product composition by the time of disposal as well as the local statutes and possibilities for disposal. Diluted solution may be introduced into a biological purification plant, with permission of the responsible authorities
Uncleaned empty packaging	Contaminate packaging should be emptied as far as possible and after appropriate cleansing may be taken for reuse. Regulation concerning reuse or disposal of used packaging materials must be observed.
European Waste Catalogue	Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal Company

### **14. Transport information**

ADR/RID	Not regulated
ADNR	Not regulated
ICAO/IATA	Not regulated
IMDG	Not regulated

### **15. Regulatory information**

#### Labeling in accordance with EC directives

The product does not require a hazard warning label in accordance with EC directives/ the relevant national laws.

#### Water Hazard Class (WGK):

WGK Class	1
WGK Reg-Nr.	NA
WGK Source	Classification according to VmVmS, Annex 1 or 2

### **16. Other information**

For further information, see:

For more information please see certificate of analysis.
